

# YWAM VANCOUVER ON THE DRIVE

# 2025 IMPACT REPORT

In 2025, we saw God move powerfully in our discipleship, outreach, and community engagement! It was a blessing and honour to partner with Christ and the local church as we equipped and mobilized individuals into missions as they deepen their faith and followed God's calling on their lives. Here are some exciting ministry highlights from the year with YWAM Vancouver on the Drive!

## DISCIPLESHIP PROGRAMS

Our **Discipleship Training School (DTS)** discipled **7 students** from **6 different nations**, as they spent 5 months deepening their relationship with God and growing in their understanding of His mission. Their outreach to Japan was transformative, as they **partnered with 4 churches, distributed 50+ Gospel tracts, 15+ Bibles and served over 240 people**.

Our **Discipleship Bible School (DBS)** welcomed **2 students** from **2 nations**, passionate about deepening their understanding of Scripture. Together, they read the entire Bible, studied its historical and cultural contexts, and learned how to apply its truths to their daily lives. **We then sent a team of 6 to India and Thailand, where they partnered with 9 churches, taught over 450 people, distributed 8 Bibles, 20+ Gospel tracts and served another 560+ people in other ministry times.**

## COMMUNITY ENGAGEMENT

Our **Mission Adventures Program (MA)** hosted **5 teams from across Canada and the USA**, totalling **94 participants**. These teams **partnered with 9 local organizations**, serving the city through outreach, evangelism, and service projects.

Our commitment to community engagement and serving the city of Vancouver remained at the heart of our work. We **prayed with over 250 people** through our Prayer Stations and **trained 2 church groups** in evangelism. Our staff also regularly **serve in 6 local congregations** across the city.

Our staff team of **13 full-time volunteer missionaries** from **8 nations** also extended their reach beyond Vancouver, **teaching at 5 YWAM campuses**, across **7 schools and workshops**, and **speaking at 21 churches worldwide**.

We are grateful for all God has done and excited for what's ahead in 2026!
