

YWAM VANCOUVER ON THE DRIVE 2024 IMPACT REPORT

In 2024, we saw God move powerfully in our discipleship, outreach, and community engagement! It was a blessing and honour to partner with Christ and the local church as we equipped and mobilized individuals into missions as they deepen their faith and followed God's calling on their lives. Here are some exciting ministry highlights from the year with YWAM Vancouver on the Drive!

DISCIPLESHIP PROGRAMS

Our **Discipleship Training School (DTS)** disciplined **8 students** from **5 different nations**, as they spent 5 months deepening their relationship with God and growing in their understanding of His mission. Their outreach to Japan was transformative, as they partnered with 3 churches, distributed 30+ Gospel tracts, and served over 170 people.

Our first **Discipleship Bible School (DBS)** welcomed **6 students** from **4 nations**, all passionate about deepening their understanding of Scripture. Together, they read the entire Bible, studied its historical and cultural contexts, and learned how to apply its truths to their daily lives. A **team of 4 then traveled to Fort McMurray**, where they **taught over 180 people** and **served more than 400** through practical service.

COMMUNITY ENGAGEMENT

Our **Mission Adventures Program (MA)** hosted **6 teams from across Canada and the USA**, totaling **118 participants**. These teams **partnered with 11 local organizations**, serving the city through outreach, evangelism, and service projects.

Our commitment to community engagement and serving the city of Vancouver remained at the heart of our work. We **prayed with over 250 people** through our Prayer Stations, **trained 3 church groups** in evangelism, and **connected with over 500 people** at events like Mission Fest and Jesus Celebration. Our staff also regularly **serve in 6 local congregations** across the city.

Our staff team of **13 full-time volunteer missionaries** from **8 nations** extended their reach beyond Vancouver, **teaching at 8 YWAM campuses**, across **8 schools and workshops**, and **speaking at 17 churches worldwide**.

We are grateful for all God has done and excited for what's ahead in 2025!
